TO WHOM IT MAY CONCERN

The company Shore Side Yacht Services Ltd have been acting as the ships agent for the Motor Yacht "Four Wishes" over the past 6 years. During this period, the staff at Shore Side have been extremely helpful and very professional at a level which is world class. Shore Side has assisted the vessel with a number of requests in the past, and have always been able to effectively meet those requests.

I would highly recommend this company to anyone requiring a high standard of service, and we will continue using Shore Side in the future.

To whom it may concern,

Shore Side Yacht Services located in the British Virgin Islands is one of the best agencies in the Caribbean! Frances David and her crew are to deal with and they are always very professional in what they take care of for us! When I go to the BVI's I am sure that everything will go perfectly as Frances and her crew can deal with whatever problem, requests or issue that I may have without a problem. If you go to the BVI's, there is only one agency that I can recommend, and recommend very highly, and that is Shore Side Yacht Services run by Frances David!

Sincerely,

Chris Gartner
